## What Our Guests Are Saying...

Exclusive Hire, January 2025: "I want to say a massive thank you to the Coq D'Argent team and a huge well done for the above par service throughout Friday evening. We had a very busy event, much higher in footfall traffic than we ever anticipated, and I think the team responded so well to the high volume of people and needs that we had throughout the evening. I was very impressed with how on the ball the team were, and I can't put into words how grateful I am that each and every one of you went above and beyond. I want to give a special shout out to Fabio for helping me with the cupcake fiasco you were amazing, and led the kitchen team to quality check over 300 cupcakes! Dom for his AV skills and Sador also worked incredibly hard all evening, I can't think of a single moment I didn't see Sador smiling. Giedre you were superb, and I truly appreciate how supportive you were throughout the evening. I have received so much feedback that the event went smoothly so it's great to know that even with us working behind the scene on the forefront we presented as seamless. You were always looking for solutions to any problems I presented, and I couldn't have asked for a better event manager! Thanks again to the team for all your help on Friday, I can confidently say that the event was a success."

Restaurant Group, January 2025: "I just wanted to thank you again for the event and for the excellent organisation. Working like this is truly a pleasure for me. Everything worked smoothly since the beginning and during the event the service was excellent with Jamal. I'm sure we will have another occasion to organise some dinners at your venue and I can't wait to get in contact with you again. I wish you all the best for the beginning of 2025 and thank you again."

Christmas Lunch, December 2024: "I wanted to take a moment to share how thrilled our lawyers were with their experience at Coq d'Argent today. They were very pleased with the service, meals, and overall experience. This isn't our first time dining at your restaurant, and it seems it won't be the last. Looking forward to working with you again soon!"
