

WEDDINGS *at* COQ d'ARGENT

CLASSIC FRENCH FOOD IN AN OUTSTANDING LOCATION

.....

The rooftop garden, originally designed by Arabella Lennox-Boyd, takes its inspiration from Corbusier's Fifth Elevation, bold and formal. The interior of the restaurant is sleek and elegant using rich walnut veneer wall paneling, Jura limestone flooring, soft leather chairs and mocha upholstered banquettes.

Coq d'Argent sits high above the noise of the City, surrounded by a secret garden.

A masterclass in French cooking at its best, the restaurant is the ideal place to escape those day-to-day stresses and enjoy top-class food, discreet service, fine wines and the feeling of being well and truly taken care of.

Coq d'Argent has a long established reputation for excellence, not only in the quality of produce but also for the care and attention to detail displayed by the whole team.
